

Dear Educator,

This letter serves as a confirmation for your school's participation in the RISE Retreat with The Diversity Center of Northeast Ohio.

RISE Retreat

Respect • Inclusion • Social Justice • Empathy

April 18-20th, 2024

Theme: "Activism: Student Change-Makers"

As the RISE Retreat fast approaches, there are a few things we would like to address.

- **Arrival at the Retreat:** School groups are expected to arrive at Camp Wise between 4:00-5:00 pm on Thursday, April 18th. Dinner on Thursday will be provided between the hours of 5:30-7:00 pm.
- **Departure from the Retreat:** Pick-up and departure from Camp Wise will take place between 11:30-12:00 the morning of Saturday, April 20th.
- **COVID-19 Precautions:** All registered educators/adults and student participants will be required to take a COVID test the evening before or morning of the RISE Retreat. The Diversity Center will drop off test kits for each participant (students and adults) that will be attending the RISE Retreat to one of the registered educators at your school. Educators are responsible for distributing and ensuring each participant (students and adults) that will be attending the RISE Retreat complete a COVID rapid test either the evening before or the morning of departure for the retreat. All COVID tests must be completed prior to student groups travelling to camp. If any participants test positive, or have any symptoms (feeling ill, fever, cough, etc.), they should not attend the retreat. Mask usage during the retreat is optional, and masks will be provided for participants if they would like to use them. All participants will complete a quick temperature and health check each morning before breakfast.
- **Notes on Accessibility:** All buildings in use at Camp Wise have stairs and also ramp entrances. The main pathways around camp are paved, but some are gravel and/or packed dirt. There are gender neutral restrooms in the building the educators will be staying in. Students will be participating in a low ropes course ran by the camp's trained staff, and educators will have an option to also participate in this activity during one of the educator session times.

- **Sleeping Accommodations:** The students will be staying in cabins with our volunteer college counselors. All counselors have received training and completed background checks. Student cabins have bunk beds. The educators will be staying in a building designated for educators and staff. These rooms have bunk beds and are shared rooms with either 1-6 other educators, depending on the room. Some rooms have beds that are not bunk beds. All sleeping areas have outlets for medical devices and charging devices.
- **Cell Phones:** The goal of the retreat is to connect with others, be present in the moment, and build community. All participants, students and educators, should plan to keep their cell phones put away during the retreat. While we understand there are emergencies and family needs, please model this behavior for students throughout the retreat and remind them to keep their phones away and off during the retreat. Note: The cell service is not the greatest out at camp.
- **Vaping & Tobacco Products:** Student usage of vaping and/or tobacco products are strictly prohibited during the retreat. Educators will have a designated smoking area away from all activity areas, and staff will note where this is located during camp orientation.
- **Drugs & Alcohol:** Any and all drug and/or alcohol usage during the retreat is strictly prohibited. Remind students that this is a leadership retreat and they are representatives of their school. If any student brings any of these with them, they will be sent home and a parent will need to pick them up.
- **Medications:** The Diversity Center staff is not able to administer medications to participants. If you have prescribed medications that you take, please make sure to bring these with you. Students and educators will be responsible for their own medications during the retreat, which are also noted on the medical forms in this packet.
- **Registration Forms:** Enclosed are the educator/chaperone and student packets, which can also be found online at [RISE High School Retreat - The Diversity Center \(diversitycenterneo.org\)](http://www.diversitycenterneo.org).

Educator/Chaperone Packet Includes:

- Contact Information
- Agreement to Participate & Emergency Release
- Emergency Contact
- Medical Information & Medical History Form
- General Information
- Chaperone Publicity Release

- Camp Wise Parking Instructions/Map

Student Packet Includes:

- Agreement to Participate & Emergency Release
- Contact Information & Emergency Contact
- Medical information & Medical History Form
- Cabin Assignments
- General Information
- Student Publicity Release
- Important Phone Numbers
- Packing List

ALL forms MUST be completed and signed in order for you and your students to participate. All forms with the original signatures MUST accompany each student upon their arrival at camp. As the chaperone, you are responsible for students having **ALL** of their forms completely filled out by Friday, **March 29, 2024**. **All forms can be scanned and emailed to schoolandyouth@diversitycenterneo.org or mailed to the address above.** If a student has incomplete forms, they **WILL NOT** be able to participate. It will be **YOUR** responsibility to arrange for that student to get the completed forms to camp, and their transportation home. This is a legal issue; we cannot compromise on this.

Please stress to your students that this is a leadership retreat and that they are representatives of their school. Students will be staying at a camp, not a hotel. Appropriate attire for the location and a variety of weather conditions is required.

We look forward to this year's retreat as it is a constant reminder of the impact and power of young people in and on today's society. The retreat aims to be both fun yet challenging. Ultimately, your students will leave with invaluable skills to contribute to your school and their communities.

Please contact Megan Nelius, Director of JEDI Programs, School and Youth at mnelius@diversitycenterneo.org with any questions or concerns.

Suggested Packing List:

DRESS APPROPRIATELY FOR THE WEATHER: Activities will be both indoors and outdoors rain or shine. Check the weather report before you pack; pack for all possible conditions. In case of rainy weather, most activities will be moved indoors, but travelling between buildings at camp will require short periods outdoors.

DRESS IS CASUAL: Jeans, T-shirts, shorts, etc. The emphasis is on comfort. Some of our outdoor activities will include a low-ropes course, sports (optional), and physical activity; we suggest packing clothes that you feel comfortable in for physical activity and that you don't mind getting dirty/muddy. Dress in layers so you can add or remove layers based on the changes in weather and temperature throughout the day. Closed toed shoes are a must, please wear sturdy and comfortable sneakers.

SLEEPING ACCOMMODATIONS: The cabin beds have mattresses, but NO pillows, linens, or towels. Students and educators/chaperones should bring their own pillows, sheets, towels, and blankets or sleeping bags. Each cabin does have heat, an electrical outlet, light, and bathroom with shower stalls.

A NOTE ON CELL PHONES: The goal of the retreat is to connect with others, be present in the moment, and build community. All participants, students and educators, should plan to keep their cell phones put away during the retreat. While we understand there are emergencies and family needs, please model this behavior for students throughout the retreat and remind them to keep their phones away and off during the retreat. Note: The cell service is not the greatest out at camp.

WHAT NOT TO PACK:

- Snacks, candy, and food items are strictly prohibited in the cabins. We want to ensure we don't attract any unwelcome critters or insects. This is a strict rule put in place by Camp Wise, please respect this and don't make the counselors confiscate snacks. If you need a specific food item for a medical condition, please specify this on your medical forms and give this to a staff member to store in a sealed container to be administered upon request.
- Students: Gaming devices, technology, laptops. Expensive jewelry. Money.
- The Diversity Center and Camp Wise are not responsible for lost, stolen, or damaged items.

WHAT TO PACK:

- Jeans/long pants
- Shorts
- T-shirts, long-sleeve shirts
- Underwear, socks (pack extra pairs of socks in case they get wet due to the weather)
- Light jacket/sweatshirt (we'll have some evening outside activities)
- Pajamas
- Sturdy and comfortable sneakers
- Shower shoes/flip flops (optional)
- Rain gear (ponchos, rain jacket with hood) – **We're outside rain or shine!**
- Twin sheets and blanket OR sleeping bag, pillows
- Toiletries: toothbrush, toothpaste, hairbrush, soap, shampoo, deodorant, etc.
- Towel and wash cloth (for shower)
- A trash bag or grocery bag for dirty clothes/towel in suitcase when repacking to leave
- Flashlight with fresh batteries
- Reusable water bottle
- Sunscreen, insect repellent – We will have these provided daily for all participants, but pack if you have your own favorite brands.
- Phone charger
- Any medications

LABEL EVERYTHING WITH YOUR NAME: Label everything with your name using a piece of tape and a sharpie just in case you misplace something; this makes it a lot easier to figure out whose flashlight or water bottle is sitting on the picnic table when there's 100 people at camp! Each cabin will also have a roll of masking tape and a sharpie in case there's anything you want to label when you are unpacking.

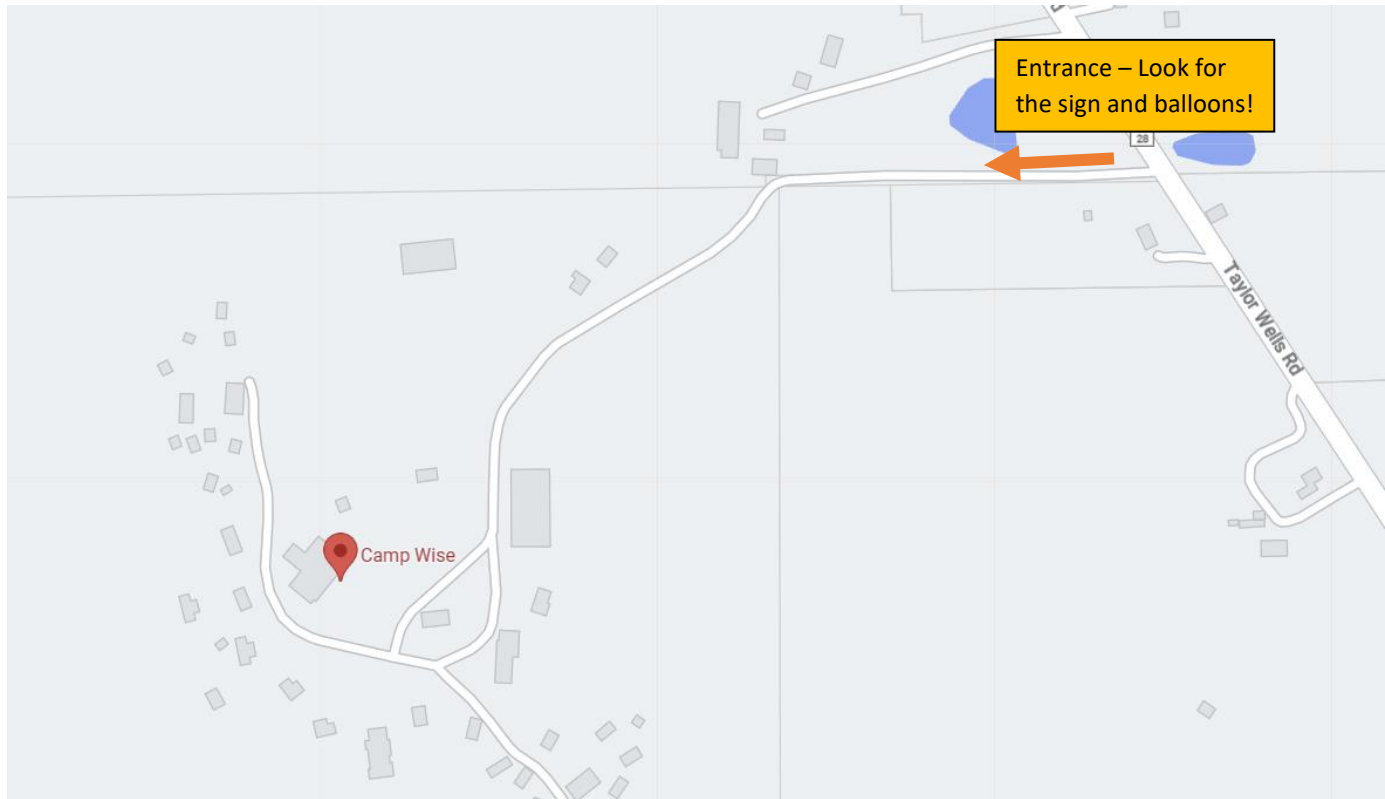

TALENT SHOW: There will be a Talent Show on Friday night where participants can sign up to perform a talent, do a fun skit with their cabin/core/student groups, or perform their activism project. If there's anything you might want to bring for this, plan accordingly (e.g. Pack your guitar if you want to sing a song and play, etc.). Students will also showcase their visual art from their activism projects in a gallery for participants to view and get to talk with the artists!

GLOW PARTY! There will be a dance Friday night with the theme: "Glow Party!" Think glow in the dark, bright colors, appropriate attire, etc. Themed outfits optional, it's all about having fun and feeling comfortable!

Camp Wise Directions

13164 Taylor Wells Rd., Chardon, OH 44024-7912

We suggest screenshotting or printing driving directions in case cell service is not reliable.

- Buses should drop off/pick up students alongside the Dining Hall. Staff and signs will help direct you upon arrival and dismissal.
- If educators are driving, limited parking is available in front of the Camp Office and next to the Infirmary (Educator Lodging). Additional parking is available in the lot near the entrance to Camp Wise.
